

I'M GONNA STAND

Written by Pat Garrett & Suzy Dalton

I'm gonna stand with my hand on my heart
Because Old Glory represents the nation I love,
I'm gonna honor all our people who've died
As our Symbol of Freedom waves gloriously above.
We're so lucky to live in the land of the free,
Won't you stand up alongside of me
I'm gonna stand for the country I Love.

CHORUS

I'm gonna stand, I'm gonna stand
For America, our great Land.
I'm gonna stand for all we've been through
I'm gonna stand for the red, white and blue.

The Star Spangled Banner gives me chills inside,
It fills my heart with our nation's pride,
The stripes and the stars on a back ground of blue,
When I see our flag I know what to do.
We're so lucky to live in the land of the free
Won't you stand up along side of me
I'm gonna stand for the country I love.

CHORUS
