Old Buddy strikes it big !!!

Monday 09-22-2008 2:06pm ET

When I did the Morning Show here at Y-102 from 1998 till 2003, I used to receive all sorts of zany recordings from local area artist Pat Garrett from nearby Strausstown. Pat used to instantly write and record songs about current events that were going on around here and around the country. Well it looks like he finally hit "paydirt" or as Pat would say "hooked the big one" with his song called "Moose Shootin' Mama" written in honor of Vice President nominee Sarah Palin. So keep an ear and eye out for Pat as I am sure we will be hearing more of this song as the Elections draw near !!

TIME IS RUNNING OUT !!!!!

Thursday 09-04-2008 2:01pm ET

I know you have been hearing about the 2nd Annual Y-102 trip to Las Vegas for a few months now, and not to scare youbuttime is running out to sign-up !!!! The trip last year was simply wonderful and I met a great group of people. A good number of people from last year's trip have signed up to join us again !!! The trip departs on Tuesday December 2nd and returns on Saturday December 6th....the price is only \$625 per person based on double occupancyheck, I would be it probably cost more to drive to the Jersey shore this year !! If you have any questions, you can either E-Mail me direct or call White Star Travel Center in Shillington at 610-775-5000 !!!! This will certainly be one vacation you will remember forever !!!

About me:

After doing the morning show for many years I've decided to go back to middays so I can sleep later! I've been in radio too many years to remember at this point. Tune in each day for my interesting jokes. Some people don't think I'm funny but I think I am pretty darn funny. Ha Ha Ha
I enjoy sitting around the station making fun of the people I work with everyday and pretty much just be the positive uplifting human being that I am. I practically radiate cheerfulness!
